Description of the Unit:

The co-operative industry placement allows students to apply their knowledge and gain valuable experience and insights into workplace culture and practice relevant to their field of study. During this time, students will undertake an approved work program, within their discipline area, designed by their workplace supervisor and supported by an academic advisor. The paid placement comprises at least 30 days of full-time equivalent work, either full-time or part-time, over an extended period. Students will reflect on the skills, experience, and professional competency they have obtained and receive constructive feedback and evaluation from their employer. Students require a current Working With Children Certificate (WWCC).

Grade Scheme: Ungraded (S, UN)

Work Experience:

Student is undertaking work experience in industry where learning and performance is not directed by the provider, but support is received from the provider. Fees (provider may charge a student contribution amount or tuition fee).

Placement Component: Yes

Supplementary Assessment: No

Supplementary assessment is not available to students who gain a fail in this Unit.
