Description of the Course :

This course is designed to introduce students to the History curriculum for senior secondary levels and prepares pre-service teachers to use policy documents, curriculum frameworks and guidelines to effectively design, teach and assess learning experiences in History. It includes a focus on sequencing effective lessons and processes for assessment and requires PSTs to teach a lesson and develop a unit of work for senior History, while also exploring contemporary policies and practices for teaching and learning in History. It examines historical concepts associated with the process of historical inquiry.

Grade Scheme: Graded (HD, D, C, etc.)

Supplementary Assessment: Yes

Where supplementary assessment is available a student must have failed overall in the course but gained a final mark of 45 per cent or above and submitted all major assessment tasks.

Learning Outcomes:

Knowledge:

- K1.** Extend knowledge and understanding of the historical concepts, skills, substance and structure of History, particularly at senior secondary level and the way to design effective teaching and learning sequences using curriculum frameworks.
- K2.** Examine, evaluate and apply resources and strategies (including ICT) used to support teaching and learning in History at the senior secondary level.
- K3.** Demonstrate understanding of strategies for supporting the teaching of literacy and numeracy in History, particularly at the senior secondary level.
- K4.** Demonstrate ability to use teaching strategies and effective classroom communication to support student learning, across a range of abilities.
- K5.** Apply understandings of assessment strategies to support student learning and monitor student progress, particularly at the senior secondary level.
- K6.** Demonstrate understanding of how reflection and evaluation of practice can inform professional learning.
- K7.** Demonstrate an ability to articulate a teaching philosophy.

Skills:

- S1.** Inquire practice for teaching and articulate views on History teaching.
- S2.** Apply knowledge of the concepts, structure and content of History and curriculum frameworks at senior secondary level to design effective learning sequences, challenging goals and processes for assessment.
- S3.** Demonstrate skills in applying teaching strategies and classroom communication.
- S4.** Design and manage teaching and learning activities that support student understanding of key historical concepts as outlined in senior secondary curriculum frameworks.
- S5.** Identify areas for ongoing development and learning as a teacher and identify processes to engage in ongoing professional learning.

Application of knowledge and skills:

- A1.** Present a paper which articulates a philosophy for teaching History.
- A2.** Teach a lesson designed for the senior secondary level of History and critically reflect on feedback.
- A3.** Design a unit of learning and resources, including assessment for the senior secondary level in History

Course Content:

Topics to be covered

- Concepts, content, structure and substance of curriculum planning frameworks at the senior secondary level.
- Development of skills in using curriculum frameworks to design, implement and evaluate effective learning and teaching sequences and activities.
- Exploration of ways to interpret classroom data and to monitor and assess students at the senior secondary level.
- Examination and evaluation of resources (including ICT) to support the teaching of History at the senior secondary level.
- Investigation into the way curriculum frameworks, policies and assessment are enacted in school contexts.
- Exploration of the way teachers engage in ongoing professional learning to improve their teaching and support student learning.
- Evaluation of teaching skills to support student learning.

Values:

- V1.** Engage in critical reflection on teaching practice for ongoing professional learning.
- V2.** Demonstrate knowledge and understanding of how students learn.
- V3.** Engage in collaborative discussion and reflection on teaching and learning.

Graduate Attributes

The Federation University FedUni graduate attributes (GA) are entrenched in the Higher Education Graduate Attributes Policy (LT1228). FedUni graduates develop these graduate attributes through their engagement in explicit learning and teaching and assessment tasks that are embedded in all FedUni programs. Graduate attribute attainment typically follows an incremental development process mapped through program progression. **One or more graduate attributes must be evident in the specified learning outcomes and assessment for each FedUni course, and all attributes must be directly assessed in each program**

Graduate attribute and descriptor		Development and acquisition of GAs in the course			
		Learning Outcomes (KSA)	Code A. Direct B. Indirect N/A Not addressed	Assessment task (AT#)	Code A. Certain B. Likely C. Possible N/A Not likely
GA 1 Thinkers	Our graduates are curious, reflective and critical. Able to analyse the world in a way that generates valued insights, they are change makers seeking and creating new solutions.	S1, A1	A	AT1	A
