

# Unit Outline (Higher Education)

<b>Institute / School:</b>	Institute of Health and Wellbeing
<b>Unit Title:</b>	RURAL AND URBAN PRACTICE 2
<b>Unit ID:</b>	NHPOT3021
<b>Credit Points:</b>	30.00
<b>Prerequisite(s):</b>	(NHPOT3020)
<b>Co-requisite(s):</b>	Nil
<b>Exclusion(s):</b>	Nil
<b>ASCED:</b>	061703

## Description of the Unit:

The unit will provide a minimum of 266 hours (seven weeks at 38 hours/week) of supervised practice placement with flexible support from the university. The aim of this placement is to integrate previously learnt material with new observations and practical clinical education. The placement will be either rural or urban and will enable the student to apply and utilise the theories and principles of occupational therapy in a variety of settings.

**Grade Scheme:** Ungraded (S, UN)

## Work Experience:

Not wholly work experience: Student is not undertaking work experience in industry or student is undertaking work experience in industry where learning and performance is directed by the provider.

**Placement Component:** Yes

**Supplementary Assessment:** No

Supplementary assessment is not available to students who gain a fail in this Unit.

## Course Level:

Level of Unit in Course	AQF Level of Course					
	5	6	7	8	9	10
Introductory	■	■	■	■	■	■
Intermediate	■	■	■	■	■	■
Advanced	■	■	■	✓	■	■

### Learning Outcomes:

#### Knowledge:

- K1.** Identify and adopt resilient strategies for coping and thriving in clinical/ professional practice
- K2.** Examine power and authority in healthcare systems and organisations
- K3.** Explore components of a professional portfolio that develops professional identity as an occupational therapist

#### Skills:

- S1.** Demonstrate an increased competence in professional behaviours, including verbal and written communication and self-management skills to enable therapeutic and professional interactions
- S2.** Practise in a collaborative and culturally appropriate, client-centred manner

#### Application of knowledge and skills:

- A1.** Critically analyse the inter-relationships between occupational therapy, research evidence and practice experience to further develop professional reasoning throughout the occupational therapy process
- A2.** Evaluate own service provision and performance

#### Unit Content:

The following documentation has substantially informed the syllabus/content of this unit: The APHRA & National Boards Code of conduct (2022); Australian Occupational Therapy Competency Standards (2018); National Safety and Quality Health Service (NSQHS) Standards Second Edition (2021); National Standards for Mental Health 2020 as based on Mental Health Act 2014; Aged Care Quality Standards (2021); National Digital Health Framework (2021); and the Aboriginal and Torres Strait Islander Health Curriculum Framework (2020).
