

Unit Outline (Higher Education)

Institute / School:	Institute of Health and Wellbeing
Unit Title:	Physiotherapy Honours Thesis 4
Unit ID:	NHPPS4828
Credit Points:	15.00
Prerequisite(s):	(NHPPS4817)
Co-requisite(s):	Nil
Exclusion(s):	Nil
ASCED:	061701

Description of the Unit:

This is the fourth of four units in which students will complete an original research project with the support of their supervisor/s. During this unit students will meet regularly with their supervisor/s to continue to critically read the literature and write up their thesis. The thesis will include a manuscript written for publication to a relevant journal embedded within a Research Thesis. Students will demonstrate their ability for independent study and effective time and project management throughout this unit to a standard consistent with an Honours project

Grade Scheme: Graded (HD, D, C, P, MF, F, XF)

Work Experience:

No work experience

Placement Component: No

Supplementary Assessment: Yes

Where supplementary assessment is available a student must have failed overall in the Unit but gained a final mark of 45 per cent or above, has completed all major assessment tasks (including all sub-components where a task has multiple parts) as specified in the Unit Description and is not eligible for any other form of supplementary assessment.

Course Level:

Level of Unit in Course	AQF Level of Course

Learning Outcomes:

Knowledge:

- K1.** Demonstrate a breadth and depth of knowledge of all stages of a research project
- K2.** Evaluate contemporary published and grey literature relevant to their research project
- K3.** Investigate journals appropriate to disseminating their research findings to a suitable audience, demonstrating a clear understanding of the requirements for submitting a manuscript for publication

Skills:

- S1.** Demonstrate advanced planning, analytical and problem-solving skills necessary to write up a research project
- S2.** Coordinate supervisor meetings and showcase reflexive practice in communicating with and receiving feedback from supervisor/s to progress through the stages of research
- S3.** Communicate utilising advanced oral and written skills to disseminate the completed research project

Application of knowledge and skills:

- A1.** Write up a completed research project as a manuscript ready for publication as a component of a research thesis
- A2.** Successfully present and answer audience questions on the completed research project
- A3.** Demonstrate scholarship to a level consistent with the standard set for an Honours course

Unit Content:

The research thesis 4 unit is a self-directed learning activity that focuses on student's scholarship skills. Students work with supervisor/s to write up their research in a manuscript format for publication and embed this within their thesis. Supervisors will facilitate students to continue to approach their research critically and write up their thesis, including a manuscript ready for publication

FEDTASKS

Federation University Federation recognises that students require key transferable employability skills to prepare them for their future workplace and society. FEDTASKS (**T**ransferable **A**tttributes **S**kills and **K**nowledge) provide a targeted focus on five key transferable Attributes, Skills, and Knowledge that are embedded within curriculum, developed gradually towards successful measures and interlinked with cross-discipline and Co-operative Learning opportunities. *One or more FEDTASK, transferable Attributes, Skills or Knowledge must be evident in the specified learning outcomes and assessment for each FedUni Unit, and all must be directly assessed in each Course.*
