- A3.** Communicate an understanding of key Aboriginal affairs and activism literature and concepts
- A4.** Contribute to group activity

Course Content:

This course provides an introduction to Aboriginal cultural awareness and investigates the history and circumstances of government policies and actions in Aboriginal Affairs since the 1930s, and the resulting Aboriginal reaction and activism which have led to political and social advancement for the Aboriginal and Torres Strait Islander communities.

This course is designed to enhance students' understanding of the development of policies that have affected Aboriginal people since 1930 by enabling them to:

1. Identify the nature, purposes and reasons for the implementation of the various policies, major legal decisions and laws relating to Aboriginal and Islander people;
2. describe the reactions of Aboriginal people to such policies; and
3. comment on the effects of the various policies on the target groups within the Aboriginal and Torres Strait Islander communities

Values:

- V1.** Engender an understanding of the legacy that exists from the 20th century;

Course Outline (Higher Education)

INDSL2104 ABORIGINAL AFFAIRS & ABORIGINAL ACTIVISM

- V2.** Develop an awareness of past policies;
- V3.** Value shared cultural histories;
- V4.** Appreciation of the richness of Australian history with specific reference to Aboriginal affairs and activism.

Graduate Attributes:

FedUni graduate attributes statement. To have graduates with knowledge, skills and competence that enable them to stand out as critical, creative and enquiring learners who are capable, flexible and work ready, and responsible, ethical and engaged citizens.
